THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Groton in the County of Grafton in said State qualified to vote in Town Affairs:

You are hereby notified to meet at The Town House in said Groton, on Tuesday, the ninth day of March, next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the town will vote to accept the budget as printed and make appropriations for same.
4. To see if the town will vote to give a discount on property taxes paid on or before August first 1948.
5. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.
6. To see if the town will vote to authorize the Selectmen to dispose of or administer, any real estate acquired by tax collectors deeds.
7. To see if the town will vote to raise and appropriate the sum of \$42.00 for the purpose of publicising and promoting the natural advantage of the town, together with other towns in the Dartmouth-Lake Sunapee Region Association.
8. To see if the town will vote to petition the State Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.

9. To see if the town will vote to raise and appropriate the sum of \$696.00 and the State will contribute \$1,392.00 for State Aid Construction on the Cheever Road.

10. To see if the town will vote to raise the sum of \$200.00 for blister rust control and make appropriation for same.

11. To see if the town will vote to raise the sum of \$30.00 to mow the town house yard and the Rolfe Hill Cemetery and make appropriation for same.

12. To see if the town will vote to raise the sum of \$1,250.00 to have the State tar and patch the road leading from Groton Corner to Butterfield's Bridge.

13. To see what action the Town will take towards buying new snow removal equipment and make appropriation to cover same.

14. And to transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-third day of February in the year of our Lord nineteen hundred and forty-eight.

FOREST FIRE PROBLEM SERIOUS

The year 1947 was one of the worst periods of drouth and forest fire occurence in eastern United States history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fire might easily have been in the midst of the most serious conagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and to all who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available manpower in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one half their cost. Good equipment is important and can greatly help to keep both damage and fire cost at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the traveling public to keep from throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

George F. Richardson Jr., District Chief.

Thomas Newton, Groton Forest Fire Warden
